### Details of transactions and events giving rise to relevant event

On 1 April 2019, Pescado Holdings Limited (**Pescado**) entered into a convertible loan agreement (**New Pescado CLN**) with SeaDragon Limited (**SeaDragon**). Under the New Pescado CLN, Pescado may be required by SeaDragon to subscribe for loan notes having an aggregate face value of up to \$4,000,000. The New Pescado CLN is conditional on approval by SeaDragon's shareholders. If that approval is obtained, and if other conditions in the New Pescado CLN are satisfied, loan notes may be drawn by SeaDragon. Any drawn loan notes may convert into shares in SeaDragon (at a conversion price of \$0.002 per share) on maturity (31 March 2021) or earlier at the option of Pescado.

**Important Note**

Unless otherwise stated, the numbers and percentages and shares used in this notice:

- (a) are based on a total of 4,843,304,727 SeaDragon ordinary shares currently on issue;
- (b) assume that Pescado converts existing convertible notes with an aggregate face value of \$3,000,000 (of which \$3,000,000 of existing notes have been issued to Pescado at the date of this notice) at a conversion price of \$0.0033 per share (resulting in the issue of 909,090,909 shares);
- (c) assume that Pescado converts new convertible notes with an aggregate face value of \$4,000,000 (of which \$0 of new notes have been issued to Pescado at the date of this notice) at a conversion price of \$0.004 per share (resulting in the issue of 2,000,000,00 shares);
- (d) assume that each of Comvita Limited (Comvita), One Funds Management Limited as trustee for Asia Pacific Healthcare Fund II (OFM) and BioScience Managers Ventures Pty Ltd as general partner of BioScience Management Partnership LP (BMV) (OFM and BMV together, BioScience) converts all of convertible loan notes when Pescado converts convertible notes pursuant to (b) and (c);
- (e) assume that no options issued by SeaDragon are exercised; and
- (f) assume that no other ordinary shares in SeaDragon are issued or repurchased.

Dame Adrienne Stewart, Mark Stewart and Todd Stewart are trustees (**Trustees**) of the Ellen Trust, Mark James Stewart No. 2 Trust, the Sir Robertson Stewart Family Trust and Todd Huntly Stewart No. 2 Trust (**Masthead Trusts**). Some of the Trustees are trustees of only some of the Masthead Trusts, others are trustees of all the Masthead Trusts. The Masthead Trusts together either control Masthead Limited (the major shareholder of Pescado) or otherwise have a relevant interest in the shares of SeaDragon in which Pescado has a relevant interest pursuant to a joint venture agreement dated 31 March 2003 (**Joint Venture Agreement**), attached to a previous event disclosure dated 11 October 2016.

The Joint Venture Agreement constitutes the Masthead Joint Venture and sets out the terms and conditions that apply to the Masthead Joint Venture.

This event disclosure is filed in accordance with, and the Trustees have the benefit of, the Financial Markets Conduct Act (Masthead Joint Venture) Exemption Notice 2014, which permits the following provisions of the Joint Venture Agreement (the excluded provisions) to be removed from the copy of the Joint Venture Agreement that accompanies a previous event disclosure dated 11 October 2016:

- (a) the dollar amounts in clause 3.4;
- (b) the dollar amounts in clause 3.5;
- (c) clause 4.3; and
- (d) the percentage figures in clauses 4.4(a) and 4.4(b).

Clauses 3.4 and 3.5 of the Joint Venture Agreement relate to amounts committed and/or advanced to the Masthead Joint Venture by some of the Masthead Trusts. The dollar amounts set out in clauses 3.4 and 3.5 have been excluded because they are considered commercially sensitive. Clause 4.3 provides for succession planning that is personal to the parties to the Joint Venture Agreement and has been removed because of its personal nature. Clauses 4.4(a) and 4.4(b) deal with the possible restructuring of the Sir Robertson Stewart Family Trust. The percentage figures set out in those clauses have been excluded because those amounts are personal to the trustees of the Mark James Stewart No. 2 Trust and Todd Huntly Stewart No. 2 Trust.

The Trustees, in giving this notice, warrant that this event disclosure (including the above information), when read together with the Joint Venture Agreement (after excluding the excluded provisions), is not false or misleading in any material particular in its disclosure of the relevant interest held by the Trustees, including by any omission or failure to contain or refer to material information.

Each person who is from time to time a Trustee, or a trustee of any trust that is a successor of any of the Masthead Trusts, has the benefit of the Financial Markets Conduct Act (Masthead Joint Venture) Exemption Notice 2014.

- (vii) (**nominee**) if the Pescado Nominee has been appointed, the Pescado Nominee remaining as a director of the Company until the annual general meeting following the Pescado Nominee's appointment;
- (viii) (**costs**) the Company providing Pescado with evidence that all of Pescado's reasonable legal costs relating to the preparation and consideration of this Agreement and any ancillary documentation have or will (on issue of the Notes) be paid; and
- (ix) (**no Event of Default**) no Event of Default is subsisting.

### **3.4 Issue and subscription**

- (a) The parties acknowledge and agree that on each Note Issue Date:
  - (i) Pescado:
    - (A) will subscribe for the Requested Notes; and
    - (B) will pay to the Company the aggregate Issue Price for the Requested Notes; and
  - (ii) subject to Pescado complying with clause 3.4(a), the Company will issue the relevant Requested Notes to Pescado.
- (b) The Company will issue to Pescado a Note Certificate in respect of the Requested Notes issued under this clause 3.4.

### **3.5 Acknowledgement of indebtedness**

The Company acknowledges that it is indebted to Pescado in respect of the Principal Amount of the Notes issued and outstanding together with any amounts of interest accrued and unpaid in respect of those Notes as set out in this Agreement.

### **3.6 Security arrangements**

The obligations of the Company under this Agreement and in respect of the Notes (including the obligation to allot Shares upon conversion of Notes) are secured by:

- (a) the general security deed dated 18 May 2018 granted by the Company in favour of Pescado;
- (b) the general security deed (including a cross guarantee) dated 8 August 2018 granted by the Company and its subsidiaries to Pescado.

The Company and Pescado agree that this Agreement and the Notes issued pursuant to it are each a "Secured Document" for the purposes of the general security deeds referred to in (a) and (b) above.

### **3.7 Further assurances**

- (a) The Company shall deliver to Pescado any document, and shall do any other thing, to ensure all the Notes are validly issued and enforceable under this Agreement.

- (b) Pescado shall deliver to the Company any document, and shall do any other thing, to ensure all of Pescado's Notes are validly issued and enforceable under this Agreement.

## 4. Repayment

### 4.1 Prepayment

- (a) Subject to clause 4.1(c) below, the Company may repay the Principal Amount (together with all accrued and unpaid interest) in respect of all (but not some only) of the Notes held by Pescado at any time on or prior to the applicable Maturity Time by giving Pescado two Business Days' written notice (a **Repayment Notice**), and upon such repayment:
  - (i) all of Pescado's Notes are automatically cancelled and may not be re-issued; and
  - (ii) no further Notes may be issued to Pescado pursuant to this Agreement.
- (b) Pescado, upon receipt of a Repayment Notice, must notify the Company in writing of the bank account for repayment within one Business Day.
- (c) The Company must not:
  - (i) give a Repayment Notice to Pescado under this Agreement unless a repayment notice in relation to the Existing Notes (if there are any outstanding at that time) is given simultaneously to the Existing Noteholders in respect of the entire "Principal Amount" (as that term is defined in the Existing CLN Agreement) (together with all accrued and unpaid interest) owing to the Existing Noteholders as at the date of such Repayment Notice; or
  - (ii) unless Pescado consents in writing otherwise, give a repayment notice in relation to any of the Existing Notes unless a Repayment Notice is given simultaneously to Pescado under this Agreement in respect of the entire Principal Amount (together with all accrued and unpaid interest) owing to Pescado as at the date of such Repayment Notice.
- (d) The Company may not give a Repayment Notice to Pescado if Pescado has previously given the Company a Conversion Notice with respect to any of its then outstanding Notes.
- (e) The Company may not issue a Request Notice to Pescado after the date of a Repayment Notice.
- (f) A Repayment Notice is irrevocable and the Company must comply with any Repayment Notice given or deemed to have been given.

### 4.2 Repayment

At any time whilst an Event of Default subsists, Pescado may (in addition to its other rights) give a notice (an **EoD Notice**) to the Company requiring the Company to repay, on the date specified in that notice, the Principal Amount (together with all accrued and unpaid interest) in respect of the Notes held by Pescado. The Company shall comply with any such notice.

### 4.3 Proportionate payments

- (a) Any payment, prepayment or repayment of Notes made by, or on behalf of, the Company may only be effected if made *pari passu* with respect to all then outstanding Notes.
- (b) The Company agrees that if it makes any payment, prepayment or repayment of the Existing Notes, it must also make a *pari passu* payment, prepayment or repayment of the Notes.
- (c) The Company agrees that if it makes any payment, prepayment or repayment of the Notes, it must also make a *pari passu* payment, prepayment or repayment of the Existing Notes.

## 5. Interest

### 5.1 Accrual of interest

Interest in respect of the Principal Amount of each Note accrues daily at the applicable Interest Rate, and is calculated on the actual number of days elapsed and on the basis of a 365-day year from and including the relevant Note Issue Date to, but not including, the date on which that Note is repaid under clause 4, converted into shares under clause 6 or otherwise cancelled, redeemed or repaid in accordance with this Agreement.

### 5.2 Payment of interest

Interest which accrues on the Principal Amount of each Note up to (but excluding) the applicable Maturity Date shall, unless it is paid earlier in accordance with clause 4, be payable within 5 Business Days after each Quarter Date in arrears by the Company in cash.

### 5.3 Payment

Unless otherwise specified, all amounts payable to Pescado by the Company under a Finance Document must be made:

- (a) if any date for repayment is not a Business Day, on next Business Day;
- (b) in immediately available, cleared funds for value on the due date to the bank account (if any) specified by Pescado;
- (c) in New Zealand dollars free and clear of any restriction or condition; and
- (d) except to the extent required by law, without any deduction or withholding for or on account of tax or on any other amount, whether by way of set-off, counterclaim or otherwise.

### 5.4 Default interest

- (a) Default interest accrues daily on the Principal Amount of each Note that is due and payable by the Company (including on unpaid interest under this clause):
  - (i) from and including the due date (or, for an amount payable by reimbursement or indemnity, any earlier date the amount was incurred), up to but excluding the date of actual payment; and
  - (ii) at 9.95% per annum.
- (b) The Company must pay to Pescado accrued default interest under this clause 5.4 on the last Business Day of each calendar month or on demand.

## 6. Conversion

### 6.1 Conversion Notice

Pescado has the option to issue the Company with a Conversion Notice. Pescado may only issue a Conversion Notice in respect of all (and not some only) of its Notes outstanding at that time and shall not be entitled to issue a Conversion Notice in the event it has defaulted in its obligations under clause 3.4(a) and has not made the Company whole in respect of any such default. Pescado may not issue a Conversion Notice if the Company has given a Repayment Notice.

### 6.2 Automatic Conversion

- (a) Unless an Event of Default subsists at the Maturity Time, Pescado shall be deemed to have served a valid Conversion Notice on the Company in respect of all its then outstanding Notes such that the date of issue of the relevant Shares will take effect on the Maturity Date.

- (b) In the event than an Event of Default subsists on the Maturity Time, the Principal Amount (together with all accrued and unpaid interest) in respect of the Notes shall become due and payable at that time and, until Pescado gives or is deemed to give a Conversion Notice to the Company, Pescado shall be entitled (subject to the terms of the Finance Documents) to exercise its Enforcement rights.
- (c) In the event than an Event of Default subsists on the Maturity Time, but such Event of Default ceases to subsist or is waived in writing by Pescado prior to any Enforcement (the **EOD Resolution Date**), then the provisions of clause 6.2(a) shall apply as if references to the Maturity Date are references to the EOD Resolution Date.

### 6.3 Conversion to Shares

- (a) Within five Business Days of receipt, or deemed receipt, of a Conversion Notice under and in accordance with clause 6.1 or 6.2:
  - (i) the Company shall issue to Pescado the number of Shares determined in accordance with clause 6.4 by entry of Pescado as the holder of those Shares into the Company's share register; and
  - (ii) upon completion of the relevant details into the Company's share register, the Principal Amount of Pescado's Notes shall be applied by the Company to pay up in full the issue price of the Shares and all obligations under or in respect of the Principal Amount of such Notes shall be deemed to be satisfied and discharged.
- (b) The parties acknowledge and agree that the Notes cannot be converted into Shares other than in accordance with the terms and the conditions of this Agreement.

### 6.4 Number of Shares on Conversion

The number of Shares into which a Note shall be converted shall be determined in accordance with the following formula, and rounded to the nearest whole Share:

$$A = B / C$$

Where            A = Number of Shares  
                       B = The Principal Amount of that Note  
                       C = The Conversion Price

### 6.5 Shares rank equally and have same rights

All Shares issued on conversion of any Notes shall:

- (a) rank equally in all respects with, have the same rights as (including as to dividends), and form one class with, the Shares on issue as at the Conversion Date; and
- (b) be free from any security interest, charge, lien or other encumbrance to Pescado.

### 6.6 Reorganisation

If there is a consolidation or subdivision of the share capital of the Company (or any securities derived from it) (**Reorganisation**) between the date of this Agreement and the Maturity Time (inclusive), then the Conversion Price will be deemed to be adjusted pro rata to the extent of such Reorganisation. For example, if there were a 20-for-1 consolidation of Shares, then the Conversion Price shall be increased by a multiple of 20. The Company shall provide Pescado with a notice in writing after the occurrence of a Reorganisation setting out the adjusted Conversion Price.

### 6.7 All Notes convertible

For the avoidance of doubt, the conversion of Notes to Shares pursuant to this clause applies to all Notes issued under the terms of this Agreement regardless of when such Notes were issued.

## **6.8 Payment of Interest**

Within five Business Days of receipt of a Conversion Notice under and in accordance with clause 6.1, the Company shall pay Pescado any interest on the Notes subject to such Conversion Notice calculated in accordance with this Agreement. Accrued and unpaid interest shall not convert to Shares.

## **6.9 Converted Notes cannot be redrawn; conversion does not affect remaining commitment**

The parties acknowledge and agree that:

- (a) any Notes which convert into Shares shall not be capable of being re-issued (such that, notwithstanding conversion, the Notes will count towards the relevant maximum number of Notes set out in clause 3.1); and
- (b) conversion of Pescado's Notes does not effect Pescado's remaining commitment to subscribe for Notes up to the maximum number of Notes set out in clause 3.1.

## **7. Tax**

### **7.1 Gross-up**

If the Company is required by law to make any deduction or withholding on account of tax from any amount paid or payable by it to Pescado under a Finance Document (**Tax Deduction**), then:

- (a) provided that Pescado has complied with each of its obligations under this clause 7, the amount payable by the Company to Pescado shall be increased to the extent necessary to ensure that, after the making of the Tax Deduction, Pescado receives and retains a net amount equal to the amount which it would have received and so retained had no such Tax Deduction been required;
- (b) the Company will make the Tax Deduction and any payment required in connection with that Tax Deduction to the relevant taxation or other authority within the time allowed, without incurring a penalty for late payment; and
- (c) the Company shall deliver to Pescado within 30 days of making any Tax Deduction or any payment required in connection with the Tax Deduction, evidence satisfactory to Pescado (acting reasonably) that the Tax Deduction has been made or (as applicable) any appropriate payment made to the applicable taxation or other authority.

### **7.2 Notifications and undertakings by Pescado**

- (a) Pescado must, within 5 days of the date of this Agreement, confirm to the Company:
  - (i) its New Zealand tax file number (if applicable); and
  - (ii) whether it:
    - (A) is a NZ Noteholder; and
    - (B) holds a RWT Exemption Certificate.
- (b) Where Pescado is a NZ Noteholder and holds a RWT Exemption Certificate it:
  - (i) undertakes to the Company to use reasonable endeavours to maintain its RWT Exemption Certificate throughout the term of this Agreement if it is lawfully able to do so; and
  - (ii) agrees to promptly notify the Company if it ceases to hold, or ceases to be entitled to hold, a RWT Exemption Certificate.

### **7.3 Approved issuer levy**

The Company may:

- (a) register as an “approved issuer” (as defined in section YA 1 of the Tax Act) and register this Agreement with the Commissioner of Inland Revenue under section 86H of the Stamp Act and use its reasonable endeavours to maintain that status; and
- (b) in respect of any payment of interest (or payment deemed by law to be interest) to Pescado if it is not a NZ Noteholder, make the relevant payment of approved issuer levy (as defined in section 86F of the Stamp Act) in accordance with section 86K of the Stamp Act in order to reduce (to the extent permitted by law) the applicable level of non-resident withholding tax to zero percent.

## **8. Company undertakings**

### **8.1 Use of funds**

The Company undertakes that it shall apply all of the proceeds from the issue of any Notes towards business operations, working capital and/or capital expenditure contemplated under a business plan approved by the Board from time to time.

### **8.2 Notification**

The Company agrees to deliver to Pescado:

- (a) notification of any Event of Default or any event or circumstance that would or would be reasonably likely to have a material adverse effect, in each case, immediately upon becoming aware of it and, within seven Business Days, provide full details of it and of any action taken (or to be taken) as a result; and
- (b) details of any litigation, arbitration or administrative proceeding affecting it or any Subsidiary that, if it had been current, pending or, to its knowledge, threatened against it, would render the relevant representation in this document incorrect if repeated.

### **8.3 Compliance with laws**

The Company agrees to duly and promptly comply with all applicable laws the non-compliance with which might have a material adverse effect on the Company.

### **8.4 Negative pledge**

The Company must not, and must procure that its Subsidiaries do not, create or permit to subsist any security over all or any of its assets, other than:

- (a) the security granted pursuant to the Finance Documents;
- (b) the security existing as at the date of this Agreement as disclosed to Pescado; and
- (c) security interests arising in the ordinary course of business and which:
  - (i) are interests which are deemed to be security interests under section 17(1)(b) of the Personal Property Securities Act 1999 that do not secure the payment or performance of an obligation; or
  - (ii) are security interests granted in favour of a seller of personal property solely over that personal property, and securing payment of part or all of the purchase price of that property
- (d) a lien arising by operation of law;
- (e) a right of set off or combination arising by operation of law or practice over money deposited with a bank or financial institution in the ordinary course of its business; and

- (f) any security consented to by Pescado, acting reasonably.

## 9. Default

### 9.1 Events of Default

There will be an event of default if at any time any of the following events occur:

- (a) an Obligor fails to pay an amount payable by it under a Finance Document when due or if the failure is due to a technical or administrative error beyond the control of the Obligors, within three Business Days after it falls due;

- (e) an Insolvency Event occurs in respect of an Obligor;
- (f) any indebtedness for borrowed money in excess in aggregate of \$250,000 of an Obligor is not paid when due or within any applicable grace period in any document relating to such indebtedness, or becomes (or becomes capable of being rendered) due and payable before its stated maturity by reason of an event of default, cancellation event or similar event (however described);

Pescado may not transfer any Notes to any person at any time, other than with the prior written consent of the Company, except Pescado shall be entitled to transfer all of its outstanding Notes without the written consent of the Company pursuant to a takeover offer regulated by the Takeovers Code, or a scheme of arrangement pursuant to the Companies Act 1993, in which case Pescado shall also be entitled to transfer to the transferee:

- (a) all of Pescado's rights and obligations under this Agreement (including any Notes not issued); and

- (b) any appointment by the Board of any person as a director of the Company or any of its subsidiaries.

### 15.2 Business Days

### 15.3 Reinstatement

If any payment by the Company to Pescado under this Agreement is avoided by law:

- (a) the Company's obligation to have made such payment will be deemed not to have been affected or discharged; and

- (b) Pescado and the Company will, in any such case, be deemed to be restored to the position in which each would have been, and will be entitled to exercise the rights they respectively would have had, if that payment had not been made.

#### **15.4 In trade**

Each party confirms that it is:

- (a) in trade; and
- (b) acting in trade in relation to the transactions contemplated by this Agreement,

and agrees that sections 9, 12A, 13 and 14(1) of the Fair Trading Act 1986 shall not apply in relation to this Agreement or as between the parties, and it is fair and reasonable to exclude their application.

#### **15.5 Purposes of business**

Each party confirms that it is entering into this Agreement for the purposes of a business and that the Consumer Guarantees Act 1993 does not apply, and the parties will, to the maximum extent permitted by law, exclude the application of the Consumer Guarantees Act 1993 from all agreements between the parties that in any way relate to the subject matter of this Agreement.

#### **15.6 Alterations**

- (a) This Agreement may be altered only in writing signed by each party. Unless expressly agreed, no variation shall constitute a general waiver of any provision of this Agreement nor shall it affect any rights, obligations or liabilities under this Agreement which have already accrued up to the date of variation.
- (b) The Company must not agree to any amendments to the Existing CLN Agreement unless Pescado is given the opportunity to have such amendments made to this Agreement on the same basis.

#### **15.7 Approvals and consents**

Except where this Agreement expressly states otherwise, a party may, in its discretion, give conditionally or unconditionally or withhold any approval or consent under this Agreement.

#### **15.8 No assignment by Company**

The Company may not assign, transfer or otherwise deal with any of its rights or obligations under this document or any other Finance Document without Pescado's prior written consent.

#### **15.9 Counterparts**

This Agreement may be executed in counterparts (including by electronic transmission). All executed counterparts constitute one document. The parties agree for the purposes of Part 4 of the Contract and Commercial Law Act 2017 to be bound by any agreement reached through electronic means.

#### **15.10 No merger**

#### **15.13 Severability**

If that term cannot be read down, then that term may be severed from this Agreement and the remaining terms or parts of the term of this Agreement continue in force.

#### **15.14 Waiver**

A party does not waive a right, power or remedy if it fails to exercise or delays in exercising the right, power or remedy. A single or partial exercise of a right, power or remedy does not prevent another or further exercise of that or another right, power or remedy. A waiver of a right, power or remedy must be in writing and signed by the party giving the waiver.

#### **15.15 Relationship**

Except where this Agreement expressly states otherwise, it does not create a relationship of employment, trust, agency or partnership between the parties.
