## New Chief Executive brings forward commencement of role at SeaDragon

*Dr Nevin Amos to commence role as Chief Executive early*

Further to the previous announcement made on 18 July 2016, SeaDragon Limited (NZX: SEA) is pleased to advise that Dr Nevin Amos has agreed to bring forward the commencement of his role as Chief Executive of SeaDragon to this week, approximately two months sooner than previously announced.

Dr Amos brings to SeaDragon a wealth of experience in adding value to New Zealand's primary products in the forestry, food, nutraceutical, health and beauty, natural products, apiary and fruit industries. He takes over from Interim Chief Executive Officer Richard Alderton, who will remain on SeaDragon's Board as a Non-Executive Director.

**About SeaDragon:** [www.seadragon.co.nz](http://www.seadragon.co.nz)

SeaDragon Limited (NZX:SEA) is New Zealand's largest refiner and blender of high-quality, internationally certified concentrated fish oils and fractions, including Omega-3 oils. Our oils are sourced from fish caught in the clean and pure waters around New Zealand, in the Southern Ocean, and elsewhere. We have more than 20 years' experience processing fish oils and we are recognised for the quality and purity of our products. We supply health supplement manufacturers around the world to meet the burgeoning demand for pure, high-quality fish oils, which are scientifically proven to deliver significant human health benefits such as lowering the risk of heart disease, improving brain function and joint health. The majority of our supply is exported.
